

# We're All In to Win for the 99%

We can win a fair economy and a just society for the 99% by coming together with our co-workers, activating our personal networks, and using our strength in numbers to close the growing gap between the rich and the rest of us.

Together, we can build a movement that wins—starting by electing champions of the 99%.

We will do whatever it takes, including participating in elections, direct action protests, and campaigns to organize more workers into unions.

## All in to Win - Local 888 Fall Member Engagement

### Boston Regional All in to Win Training

**When: Saturday, July 28th, 10am-1pm**

**Where: SEIU Local 888, 52 Roland Street, Charlestown, MA**

SEIU local 888 will be holding a series of regional trainings around the fall elections and member organizing. The “All in to Win” program's goal is to engage 1% of membership as leaders and equip them to reach out to 10 members in their unit to activate and educate them around the elections. Any member who wants to see pro-worker candidates win public office and steer this country in the right direction should attend.

*Snacks and refreshments will be served.*

Please contact Dan Hoffer at [dhoffer@seiu888.org](mailto:dhoffer@seiu888.org) if you can attend.
